

NETHERLANDS METABOLOMICS
DAYS SPRING 2012
MONDAY AND TUESDAY,
MAY 7 AND 8
HOTEL BREUKELLEN

Organized in conjunction with the
Belgian Metabolomics Group

The Netherlands Metabolomics Days offer a lecture programme with international key note speakers and a poster session. The first day May 7th is exclusively for NMC-members, the second day May 8th will be open to all national and international researchers and other people interested in metabolomics.

Lecturers on May 8th are:

Sven Panke

ETH Zurich Dept of Biosystems Science
and Engineering
Basel, Switzerland

Andreas Manz

Research KIST
Korea Institute of Science and Technology
Europe Saarbruecken, Germany

Harro Bouwmeester

Department of Plant Physiology
Wageningen University, Netherlands

Edoardo Saccenti

Swammerdam Institute for Life Sciences
University of Amsterdam, Netherlands

Dirk-Jan Reijngoud

Metabolic Diseases (Medicine)
University Medical Centre Groningen, Netherlands

Herman van Vlijmen

Janssen Pharmaceuticals
Beerse, Belgium

Dr. Pascal de Tullio

FNRS, CIRM, Chimie Pharmaceutique
Université de Liège, Belgium

NMC and the Belgian Metabolomics Group hope to welcome you on the Metabolomics Days! Participation is free, please register!

The complete programme of both days and the registration form are available on the NMC website: <http://www.metabolomicscentre.nl/page/spring-2012-nmc-metabolomics-meeting>

Location Metabolomics Days:

Hotel Breukelen, Stationsweg 91, Breukelen (next to trainstation Breukelen)
